

BSc (Hons) Health and Social Care with Foundation Year

– In process for approval (IPA)

The University of Wolverhampton is ranked 3rd in England for social mobility and has been in the top 10 for four consecutive years, making higher education more accessible than ever.

(Higher Education Policy Institute, Social Mobility Index: 2021, 2022, 2023, 2024).

Our Health & Social Care course is designed to empower you with essential skills, knowledge and a compassionate mindset to thrive in today's dynamic healthcare environment—empowering you to make a real and lasting impact in people's lives.

Why Choose Us?

Supportive & Inclusive Learning

Small class sizes and a personal lecturer contact create a dynamic, inclusive academic environment.

Tailored Academic Support

Workshops, tutorials, and assessments build academic confidence and meet diverse learning needs.

Student Guidance Services

Financial aid, mental health support, and one-on-one guidance ensure holistic student support.

Your Future Career

This course will make you career-ready with in-demand skills like leadership, problem-solving, research, communication, care work, and resilience, alongside specialist knowledge, creativity, and the confidence to thrive in dynamic work environments.
